

CHANCES PARK

c/o 168 Wigton Road
Carlisle
CA2 7ET

Dear Friend/s

The after effects of storm Desmond no doubt affected the numbers attending December's AGM which meant that there were insufficient for a quorum to vote on the election of officers and the motion to adopt the new constitution.

Accordingly I am writing to advise you that an Extraordinary General Meeting of The Friends of Chances Park will be held on Monday 18th January 2016 at 2pm in Morton Community Centre to discuss and vote on these two matters.

Please come along if you are able, as always your input is vitally important to help with safeguarding the future of the park as a public space for the benefit of the community. Refreshments of tea/coffee will be served.

Yours sincerely

MAGGIE LOGAN

Secretary
